Award Nominees gives you the freedom to redeem Awards for family, friends or anyone you choose.

It will also enable more Awards to be redeemed on-line, more conveniently and when possible without the need for Award issue or payments at a THAI office.

Only your designated Nominees and yourself are eligible for Awards redeemed from your account, and as the account holder, you must request all Awards yourself.

- Your Award Nominee List may contain up to 5 names.
- Those for who you redeem Awards on a regular basis should be included as Nominees
- Others who are one time or special Award recipients should be included just before you request the Award.
- Each new Nominee, or changing an existing Nominee, is counted as one entry to your List.
- The name of each Nominee should be entered as it appears in their passport. This is very important for international travel. Any changes due to wrong spelling will also be counted as one entry.
- The birth date and passport or identification number is also required for each Nominee.
- Once your List contains 5 entries, you may change the names of up to 5 Nominees each calendar year.
- Each Nominee name change is subject to a mileage fee of 7,500 miles that can be automatically deducted from your account.
- Fees can also be paid in currency or miles at any THAI city office.

Location	Per each name change
In Thailand	Baht 3,800
In other countries	US \$100.00 or equivalent in local currency
At THAI city offices	10,000 miles

- Fees for Nominee name changes, up to 5 changes per calendar year, are waived for Royal Orchid Plus Gold members

※譲渡者リストにはご家族、ご友人、同僚等どなたでも記載が可能です。
